

Dear _____,

Apple Valley Christian Academy is hosting the Feed the Need Packing Party! Our family is excited about this event, not only because it is a tool to provide much-needed funds for AVCA, but we will also be packing, sealing, and boxing over 10,000 meals for schools and orphanages in Haiti!

As you can see, this is an extraordinary event and not just another fundraiser! My family has already made a generous contribution. Would you join us by partnering with me? Your donation will truly make a difference for Apple Valley Christian Academy AND for children overseas!

To donate, you can fill out the donation card below, enclosing your check, and mailing it back to the address below. Your contribution is tax-deductible.

Thank you for your consideration and generosity. Any amount will be greatly appreciated. If I don't hear from you within the next week, I will call to answer any questions that you may have.

With sincere thanks,
