

TUITION AND FEES SCHEDULE

2023-2024

NEW STUDENT APPLICATION FEE: \$200* (Nonrefundable)

An enrollment fee is due for each student **at the time the enrollment application is submitted online**. Payment of the enrollment fee implies intent to enroll for the school year. Because the school administration makes staffing and purchasing decisions based upon anticipated enrollment, this fee is **nonrefundable**.

PAYMENT PLANS OFFERED:

- **PAID IN FULL (A):** Tuition is paid in full at time of enrollment, due by July 1, 2023.
- **PAID IN 2 PAYMENTS (B):** Tuition is paid in 2 payments: First half of tuition is due July 1, 2023; second half of tuition is due by December 1, 2023.
- **INSTALLMENTS (C):** A deferred payment plan of twelve (12) equal installments: monthly payments are made by means of **automatic debit** from your designated account for twelve (12) months, on the 1st or 15th of each month, beginning July 1, 2023 and ending June 15, 2024. This plan will incur a **\$50 processing fee per family from FACTS**. **If, at any time, this does not fund, you will be charged a late fee of \$30 by FACTS.**

Withdrawals: Students are considered enrolled for the entire year at the time of admission. **If a student withdraws prior to the beginning of school, the enrollment and book fee will not be refunded.** The payer is responsible for monthly tuition payments up through the end of the month in which the student is withdrawn (i.e., if the student withdraws anytime within the month, the entire month's tuition is due). No reductions will be made for vacations or school holidays.
